### What is Youth Crime Watch?

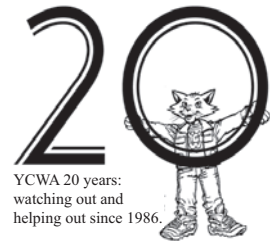

Youth Crime Watch is a youth-led movement in which young people take ownership to make schools and neighborhoods safer while instilling self-reliance and care and respect for others. 50,000 youth in 29 U.S. states and 20 other nations are taking leadership roles and producing positive change through youth patrols, crime reporting, youth mentoring, community action projects, and much more. Youth Crime Watch of America, founded in 1986, is a resource network for youth to share ideas, utilize training, find support, and organize to *watch out* and *help out* in our communities and across the world.

### Who are YCW Lifetime Members?

YCWA Lifetime Members are the individuals who are lifelong proponents of the mission of Youth Crime Watch of America. Many helped to launch the movement, and many more are the men and women of all ages working daily to prevent crime, violence and illicit drug use in their schools and communities.
